Beanie

Hi, I'm Beanie! It's so nice to meet you! I've been waiting a long time for a wonderful family like yours. Will you bring me home? I sure hope so! We can cuddle, play fetch, and explore new things together. I don't mind bugs and mud pies are my favourite! I love to learn, and can't wait for you to teach me tricks! My vet says I'm super healthy and I'm up to date on my vaccinations. I hope to see you soon! Lots of puppy kisses, Beanie.
